

## HUTTON BUSCEL VILLAGE HALL MANAGEMENT COMMITTEE

ANNUAL REPORT 20 April 2016

### **Village Hall**

Lights have been replaced in the ladies toilets and the entrance foyer with new LED lighting which we are assured is virtually no maintenance and very low running costs. The outside light has been replaced with a more powerful floodlight as it was felt the previous light only lit the steps area and not the car park. All of these renewals were paid for by a generous donation from the Village Show Committee.

The rubber mats provided by the Hutton Buscel Educational Trust have now been installed under the equipment in the playground.

A VE Day celebration in May last year had to be cancelled due to poor ticket sales which was disappointing. However, a traditional Christmas dinner was held in December which was very well attended and included the ever popular Christmas quiz and stand-up bingo.

The next major expenditure is likely to be repair or replacement of the storage shed and redecoration of the hall scheduled for Summer 2018.

The Management Committee Annual General Meeting was held on Wednesday 13th April 2016 in the Village Hall. The report and accounts for the year were received and the existing committee were re-elected.

My wife and I no longer live in the village and while we are happy to continue on the committee in the short term, probably until the 2017 AGM, we feel the hall should be managed and run by the people of the village. We are therefore looking to recruit new members who together with the existing committee will take over the tasks we currently undertake. If you are interested please contact either myself on 862751 or our vice-chairman, Ken Barnett on 864375.
